

Silver MacBook Pro

Found

Item Details

Category

Electronics

Date Found

Oct 24, 2023

Location

Main Library, 2nd Floor Reading Room

Reference ID

LF-2394-MB

Description

Found a silver MacBook Pro sitting on a desk in the 2nd floor reading room of the main library near the north windows. It has a distinctive matte black hardshell case on the bottom half, and a small, worn sticker of a coffee cup near the trackpad. The laptop was asleep when found. Handed over to the library circulation desk staff immediately.

Found Location

Main Library Building
